Summer Picnic

Bill Schulz will again be hosting the Annual Summer CIW Potluck. At this meeting he will be passing a sheet inviting your spouse or significant other to the Potluck. On that sheet he will be asking if you are planning to attend and what you will bring. He is encouraging everyone to bring the same as they brought last year unless you have some outstanding new dish. He told me, "This especially pertains to Tim Verbeke who brought brats and sour kraut. This is a must!"

The pot luck will be July 9th, at 6:30 at Bill Schulz's place. Directions are on the web site to his place in NE Bloomington.

President's May/June Challenge – Nails, Tacks, Screws

President's challenge: **Nails, Tacks, Screws** – Use them, create texture with them, attach stuff with them to any turned object (bowl, platter, plate, disc, box, flat box, etc.)

All 2018 President Challenges are listed on the Calendar tab on the club web page.

The winning ticket will “Split the Pot” with the Club. The more participants, the larger the pot! Good luck!

Demonstrators Welcome

A way to support your club is to volunteer to give a demonstration at one of our monthly meetings. Please contact Kathy Alexander to do so.

In addition, Hod serves as coordinator of the “Western side of the CIW Volunteer Demonstrators” and would like to inform the membership that our Club has committed to demonstrate at the *2018 Summer Harvest Show, July 27th and 28th in Princeville, IL*. This event features antique farm machinery on display and many vendors. Hod would like to have at least 4 volunteer demonstrators both days. We need two mini lathes. Hod will provide one.
